## Camp Information

Bjørnetann Language and Cultural Camp will be held at the Billings Lions Club Camp, located ten miles south of Red Lodge on the west fork of Rock Creek. The camp offers a meeting area, commercial kitchen and sleeping accommodations. Children age 5 and older can attend classes. An adult must accompany children under the age of ten.

Adults are welcome with or without children. A nurse and a cook will be on staff.

Attendees will help keep the camp clean. Volunteers will teach Norwegian language, history, culture, and crafts. The 2010 camp will be held Thursday evening, July 8 through Sunday morning, July 11, 2010 at the Billings Lions Club Camp.

In the past we have been able to assign one family per cabin; however, we may not be able to do that in every situation. In other words, we try to assign girls and women cabins near the women's restroom facilities. Boys and men - near the men's restroom facilities. There are a couple of forest service campgrounds very close to the Lions Camp if you should choose to bring your own camper. There is a KOA campground near Red Lodge. (If you decide to stay at the campground, we cannot discount the camp fee.) There is limited RV parking at camp and no hookups. Memorial Hall is for campers who have mobility problems or need a little less "roughing it" experience.
