## SONS of NORWAY

January 2021

Greetings,

I hope all of you have been doing well and not contacted the Covid-19. I, like all of you, feel the last few months have been quite difficult and stressful. I do believe there is light at the end of the tunnel.

The Covid-19 has taken its toll on some, if not all of our lodges. When we have not been able to meet in person some of us are really starting to miss one another. Guess I did not realize we loved each other so much. Some lodges have used the technology of "Zoom," but then some have not. I do want to encourage you to try it.

In recognition of our 125<sup>th</sup> Anniversary for Sons of Norway the District chose as a project the "Can Hunger" campaign. I do believe it was a success. I have not heard from all the lodges that participated yet, but it was one way we were able to help our communities and get the name of Sons of Norway out to the people. Even if your lodge did not get 125 items collected but did get some items to take to their local food bank, it was great that you participated and helped people in your area.

Along with the Covid-19 this was our first year for the dues increase. This has put a bit of a change in our membership lists. I hope your lodge has received monetary checks from headquarters that are to be given back to the lodges from the members who are paying their dues. As I said both Covid and dues increase have not worked well together for us. I do want to encourage you all to keep your membership current and hopefully, by Spring we can all start meeting together again.

I would like to encourage you to stay in touch with each other either by phone, zoom, e-mails, cards,

and letters or drive by someone's home, honk, and wave. It is always nice to hear from your friends and fellow members.

Following is a list of dates for reports and forms that are due the next few months:

- The Lodge Achievement form and Family Lodge of the Year form are due to the home office by March 15, 2021.
- The D17 Financial Reports are due to the home office by March 15, 2021.
- The IRS 990 forms for the lodges and lodge corporations are due May 15, 2021.
- If you have a District IV Directory, it has a list of scholarships and deadlines that are available to be applied for by any student who wants to apply for one or more.

In closing, please keep you and your family safe, especially these next few months. Have a safe and wonderful rest of winter and then a super Spring.

And finally, "Thanks for all you do for Sons of Norway."

Faternally,

Nurdy

Nurdy Riley

### Sons of Norway's Mission

*The mission of the Sons of Norway is to promote and to preserve the heritage & culture of Norway, to celebrate our relationship with other Nordic Countries, and to provide quality insurance and financial products to its members.*

---

## From the Desk of our International Director Steve Halvorson

1. Good news /Bad news
  - a. GOOD - The Total adult and juvenile membership in Districts 1 through 8 went from 39,326 as of 12/31/19 to 41,922 as of 12/31/20 – an increase of 2596 or 6.6%.
  - b. BAD – membership in District 4 went from 4860 as of 12/31/19 to 4545 as of 12/31/20 -a decrease of 307 or 6.5%
  - c. In all of SON, 52 lodges met their 2020 recruitment goal for 2020, only 3 lodges in District 4 made their goal.

### **We have a lot to do to catch up to the other districts!!!**

2. David Crabb, of the headquarters staff, has been issuing weekly Lodge Leadership videos. These videos are on a variety of subjects, all aimed at helping lodge leaders understand their opportunities and responsibilities. Please take advantage of this resource.
3. As we turn the page on another year, many lodge leaders have changed. Please remember to communicate the vital information about your new Lodge leaders to Headquarters. Communications can be so much more efficient if headquarters has the details of your 2021 lodge leadership
4. Last October, SON helped present a documentary film on polar explorer Roald Amundsen. Our members are always looking for culturally relevant programming. This would be an outstanding way to nurture our cultural hunger.

(Please reference the attached membership report on the last page of this newsletter.)

---

### **Lodge Calendar and Other Deadlines**

#### *March*

March 1-Scholarship Deadlines--See page 2

March. 15 – Lodge Achievement Form and  
-Family Lodge of the Year form due to  
Home Office

March 15-Form D17 (Lodge Financial Statement)  
-Form D18 (Lodge Property Financial  
Statement)

#### *April*

April 1 – Deadline for District Cultural Scholarship  
- Application to be submitted to District  
Cultural/Publicity Director

#### *May*

May 15 –IRS 990 forms due for Lodge and Lodge  
Corporations

#### *June*

Think about camps

#### *October*

October is Foundation Month – consider a donation

directly to the Foundation or plan a fundraiser for  
the Foundation.

Oct. 15 – Foundation portal is available for lodges  
and individuals to apply for grants and scholarships.

#### *November*

Election of Lodge Officers

#### *December*

Dec. 1 - District Fraternal Grant Evaluation from  
previous year due

Dec. 15 - International Foundation Grants  
- Community Partnership due to Home  
Office

Dec. 31 - District Fraternal Grant Application due

Dec. 31 - D63 Report on Election of Officers due to  
Home Office

Dec. 31 - International Foundation Grants due

-Helping Hands to Children Grant

-Lodge Culture and Heritage Grant

-Lodge Vitality Grant

## From the Desk of Martha Elliott Vice President

I contacted all Zone Directors and asked them to contact the lodges in their zone and included the following questions.

\*Does the lodge have a membership goal? Did they sign up new members in 2020?

\*What are their plans for meetings and socials in 2021?

\*Will they celebrate Syttende Mai?

\*Is there anything the district can do to help the lodge?

\*Did they meet in 2020?

Lodges in Zone 1 did send an email to Rebecca with information. Zone 3, of which I am Zone Director, will report on my lodges in Zone Report.

The replies received indicate plans to hopefully have a membership goal and obtain new members. Most didn't sign up any new members in Zone 1. Lodges plan to start meeting in maybe March. All hope to be able to celebrate Syttende Mai. Some community projects were participated in and lodges did collect for the food drive.

All lodges are doing the best they can with Covid. Things will get better for sure.

We all look forward for the District IV Convention to be in Fargo in June of 2022 and the International to be held in Minneapolis in August of 2022.

## Scholarship Applications are now open!

**NOTICE:** Due to the COVID-19 pandemic, check with the Norwegian school of your choice to verify that foreign students will be allowed to study in Norway in 2021. It is possible that they will offer only distance learning. In that case, ask what fees you will incur, if any. The Foundation can reimburse you only for the fees. If you were planning on an in-country experience, we encourage you to apply when on-campus learning resumes.

### ***The following scholarship applications are due March 1:***

- *District IV Scholarship due through the Foundation*
- Astrid G. Cates Vocational Scholarship
- Dan and Betty Rude Scholarship
- King Olav V Norwegian-American Scholarship
- Myrtle Beinhauer Fund Scholarship
- Nancy Lorraine Jensen Memorial Scholarship
- Orel and Marie Winjum Memorial Scholarship
- Bernt Anker Scholarship
- Sissel and Roger Espeland Memorial

## From the Desk of Dan Rude District IV Secretary

Mange Tusen Takk! As your District Foundation Director I want to thank the Lodges and individuals in District IV who donated to the Foundation's "Together We Are The Future" Campaign. The goal was \$100,000. As of January 6th a tentative report shows that a total of \$210,164 has been donated with \$29,585 from Lodges throughout the Order.

A number of donations from our District were donated to restricted funds such as Elaine Nelson Scholarship Fund, the Dan and Betty Rude Scholarship Fund, and District IV Scholarship Fund.

I would also like to thank the Lodges in District 4 that have participated in the "Can Hunger" drive to celebrate the 125th Anniversary of Sons of Norway. Please send to me the number of items that you have collected and to what organization they were given to. If you have pictures please send them. I am developing a Power Point featuring the *Sock It To 'Em* and *Can Hunger* campaigns that will be presented at the District Convention in 2022.

Many Sons of Norway Lodges have been using Zoom to hold business meetings and classes. Your District Board has met several times using Zoom to conduct District business. Your lodge can do the same thing. Zoom has been widely used by families during this pandemic to keep in touch. Zoom can be downloaded for free, and I am sure that there is someone in your lodge that has a Zoom account and would be more than happy to host a Board Meeting or a language class.

It is so important that we keep in touch. That is why it is so important to continue sending out newsletters. Start a column in your newsletter where you ask members to send in short articles concerning what is happening in their lives such as illnesses, graduations, weddings, other celebrations.

There are a number of dates that you must remember:

- Form D17 (Lodge Financial Statement) is due March 15
- Form D18 (Lodge Property Financial Statement) is due March 15
- IRS Form 990 (this includes the 990, the 990EZ and the 990N required by the IRS to be filed by May 15th
- Lodge Achievement Form and Family Lodge of the Year forms are due March 15. The Home Office realizes that Lodges have not been able to meet because of Covid-19 – they will be taking that into consideration when awarding the Merit Certificates. Please fill out what you can and submit to the Home Office.
- A number of International Scholarship Applications are due on March 1st. The District IV Scholarship Applications are also due on March 1st. All of these applications can be found on Sons of Norway Website at [www.sofn.com](http://www.sofn.com).

I have only five Lodges who have not completed their D63 (Change of Officers).

I would remind all members that you need to inform the Home Office ([fraternal@sofn.com](mailto:fraternal@sofn.com)) when changing phone numbers or addresses. It is from the Sons of Norway website that I get the information that I publish in our District Directory.

Please stay safe. We are all looking so forward to being able to gather and share in fellowship

## **Flo Kallenbach**

### **District IV Culture and Publicity**

This summer I lost a brother-in-law to the loneliness of a nursing home because of the Covid closures. But imagine the caring people who took the time to make some of our Sons of Norway members of Smaa Fjell Lodge have a most joyful day at their nursing home. Make-up, fun hairdos, pearls, hats, gloves, and even a glass of champagne. Then glamour shots of these beautiful women. I just wish I could show the pictures that their President, Vicki Anderson shared with me. What a fun day that must have been for all of them!

If we can just share our creativity and ideas with one another, we can get through this pandemic together. If your lodge has done something clever that you think others might like to try, please share these ideas with me and I will try to get them out to the rest of the lodges.

As Steve said, the head office has been communicating many ideas. Such as the last Sons of Norway e-post where they talked about the 14 days of friluftsliv and Taco Friday!!

If you didn't see that, it explains that:

“As a fervent hiker, Henrik Ibsen gave name to a concept already deeply rooted in the Norwegian psyche: friluftsliv (free-loofts-leave). Roughly translated as “life in the free air,” the idea is to immerse yourself in

nature, resulting in benefits to mind, body and spirit.

Over the past year, friluftsliv has become a buzzword around the globe as people seek to maintain mental and physical balance during Covid. A more modern interpretation can apply to any activity that allows you to appreciate the outdoors in a simple manner. There's no need for stopwatches or competition—in fact, the simpler you go, the better.

Being the shortest month, February is the perfect time to try and get outside every other day. Starting on the first of the month, why not challenge yourself to experience friluftsliv at least half of the days in February?”

It goes on to list many ideas of what you could do accept the challenge. Maybe you could earn a sports medal while working on it. Mjosen Lodge in Mayville ND has challenged their members to participate.

Thank you to all who have been sending in photos for the Viking magazine. I really appreciate that. Remember that sending the original digital photo works the best. Don't forget that there is a profile spot at the bottom of the page if you want to honor a standout person in your lodge.

My husband and I were able to get our first vaccinations on Thursday. We are so grateful. Here's hoping all of you are staying safe.

### ***DISTRICT IV CULTURAL GRANTS***

		2020	2021
Mjosen Lodge Rebecca Gunderson	for rosemaling class	\$300	Carry over
Mollargutten Lodge Bonnie Benson	for wood carving & Syttende Mai	\$300	\$150 Carry over \$150 new
Kringen Lodge Mark Voxland	for Language class	\$300	Carry over

Normanden Lodge Marvin Eriksson	Lamps for rosemaling class	\$300	Evaluation received
Fjell Heim Duane Myrstol	Lefse hot dog booths		\$300
	TOTAL	\$2,750	\$450

---

# Zone Reports

## Zone 1 Lodge News by Rebecca Gunderson

Due to the Covid-19 Pandemic, Zone 1 Lodges have not held their normal cultural and social meetings. They have been creative in their activities when they have met.

Gyda-Varden 4-021, Grand Forks, reported that they held their last regular meeting April, 2020. They have held some Board meetings on Zoom, and they did a Zoom Christmas event. They are hoping to do something for Syttende Mai but depending on the state of vaccinations in their area, they would not want to create a super-spreader event.

Mjosen 4-078, Mayville, met at the beginning of 2020 but started postponing their events in March. Monthly e-mail newsletters are sent out to all members with activities and encouraging members to participate in the Sports Medal and Cultural Skills Programs. The officers met outside last August and decided to purchase Norwegian Flags for all members. The flags were either hand delivered or mailed. The Lodge donated \$125.00 to the local May-Port Food Pantry in honor of Sons of Norway celebrating 125 years. They also donated \$50 to the Sons of Norway Foundation. The officers recently met and discussed possible meetings including a small gathering to work on their Hardanger in February and a Syttende Mai celebration in May. Everything depends on the status of vaccinations and the status of the pandemic.

Heim 4-178, Devils Lake, no report was submitted

Fagerlund 4-203, Manfred, is planning on meeting for the first time in February and plans on celebrating Syttende Mai. They are being extremely cautious with the Covid-19, as most of their members are elderly.

Mollargutten 4-478, Maddock. President Bonnie Benson reported Maddock has been trying to stay as active as we can this past year. Along with sending out newsletters every other month, here are a few activities we have enjoyed. In January we started learning the Norwegian Table Prayer while sporting our Norwegian sweaters. In February we enjoyed a no host supper at our local cafe with games and cards following. In March we learned about the many grants and scholarships available for members and enjoyed an art display from students at the Maddock School. Then the pandemic hit, and we had to be creative. For Syttende Mai our lodge furnished afternoon lunch for the residents at our local nursing home. Also, an informative article about the Syttende Mai celebrations was read to the residents. The community hosted a parade for the Seniors of our school-our lodge had a creative float featuring larger than life size pictures of the graduates and honoring Chase Benson, a member of our lodge, as the District 4 Scholarship recipient. In August, the lodge furnished a picnic supper for our members in our city park. Carol Thompson shared her Norwegian Langeleik musical instrument she had carved out of a wood block and her latest hardanger table runner. In September we enjoyed a bonfire, s'mores, and hot chocolate in the park. This was our novel Mystery Night-the members got to solve the mystery as the story was read. Greetings from our lodge were sent to the fraternal office for the SON 125th anniversary, also Carol Thompson performed a musical selection on her Langeleik. As part of the 125th birthday celebration our lodge sponsored a coloring contest at the Maddock Elementary School. Each participant received a Norwegian hazelnut cookie. Classroom winners won a Melkesjokolade (milk chocolate) candy bar. Overall winners in their age category won a lefse mask and gift certificate.

Our lodge donated 195 items to our local food pantry as part of the food drive sponsored by District 4. We have a cultural day every month but due to the pandemic we were only able to hold two of them. At these days we had chip carving and a baking day of many Norwegian cakes. We are hoping for a more normal 2021 with regular meetings and culture days.

Vaarliv 4-486, Fairdale, no report submitted

## *Fill the Stabbur*

John Andreasen

In honor of the 125<sup>th</sup> Anniversary of the Sons of Norway, the Kringen Lodge in Fargo, ND launched a celebration under the heading “Fill the Stabbur.” Our Scandinavian culture recognizes the “stabbur” as a unique storage building for dried fruits and vegetables, cured meats, grains, and other household supplies kept apart from the kitchen. The second story of the stabbur provided sleeping accommodations for the servant girls during the busy farming season.

With encouragement from the District IV Board of Directors, each lodge was encouraged to celebrate the 125<sup>th</sup> Anniversary with a food drive using the number “125.” Looking at the size of our lodge with over 1100 members, we asked “Could we collect 1250 pounds of food to donate to Churches United for the Homeless?” Even in the face of the Covid-19 pandemic, we thought this would be an attainable goal.

To expand the dream, we thought about filling the second floor of the stabbur which the summer workers called their home. “Could we enroll 125 new members in this anniversary year, who would call Kringen their second home?” With our programs shut down and our Kringen Kafe masked and fearful, we were doubtful, but still willing to try.

The dreaming continued. Each lodge was asked to contribute to the Sons of Norway Foundation. The Kringen Lodge readily approved a donation of \$1,250,

but we thought “Would our individual members be willing to raise an additional \$1,250 to put some “seed” dollars into the stabbur for humanitarian grants?” So, we added this third component to our anniversary celebration.

Following lodge approval, these three dimensions were outlined in a letter to our members with a rustic outline of a stabbur, created by Social Director Lisa Kornkven, was hung on the wall welcoming food donations. Day by day food bags were deposited at the stabbur - canned goods, dried goods, household products, etc. Envelopes with cash and checks accompanied the donations. Churches United for the Homeless estimates they can buy approximately four pounds of food for every dollar donated. By the end of the anniversary year, we had well over 1250 lbs. of food to surpass our goal for the food drive. With the great need to feed the hungry, we voted to extend the food drive to April 1, 2021.

Our membership goal of 125 proved to be much more of a challenge. When we cannot gather face-to-face for lodge meetings, language classes, choir practice, etc. because of COVID-19, it proved to be overwhelming. We nevertheless rejoiced in welcoming 90 new members to the Kringen Lodge. Thanks to a Vitality Grant from the SON International Foundation, we have been welcoming new members with the gift of a Kringen Cash Coupon valued at \$10 to be used in our Kringen Kafe.

The most unexpected surprise to this anniversary appeal came in response to our request for matching funds for the SON Foundation. We seriously under-estimated the generosity of our home-bound members. Rising to the challenge of raising \$1,250, envelopes and checks stuffed the stabbur. When these gifts were counted, our total stood at \$6,955. The stabbur was full.

Next year we will look for a bigger stabbur!

(Kringen Lodge is in Zone 2)

### Zone 3 Lodge News by Martha Elliot

I wrote an email to all the lodges in Zone 3 asking them for some information about their lodge. Again, such as membership goals, any new members, plans for meetings or socials, etc.

Three lodges sent a reply and I thank Thor Lodge in Minot, Bowman-Hettinger and Dickinson for their reply.

The reply was they are still lodges, but difficult to have events. Lodges have lost members.

Thor Lodge in Minot held their lefse sale on the Saturday before Thanksgiving and 400 packages of lefse were sold.

Thor Lodge has been meeting for a business meeting but no socials. Other lodges have not had meetings as members are staying pretty close to their homes. Thor Lodge did gain 7 new members. Thor Lodge did participate in the food drive with our donations given to the Lord's Cupboard.

Lodges are doing the best they can to keep members informed of some activities. All hope to celebrate Syttende Mai but time will tell. All are doing what can be at this time and soon will be back to normal.

### Zone 4 Lodge News by Russell Wiigs

Greetings District 4 Lodges:

COVID has caused us to greatly change how we do things! Gatherings and meetings have dramatically been changed and in most cases have not been occurring. Most of us have had to adjust to a limited amount of interaction with people outside our households. Many of us are not able to travel much as we deal with the consequences of exposure to COVID!

How did your lodge do for 2020? 2020 membership numbers are out now and hopefully you have had a chance to look at them. It is interesting to note that 5 lodges in District 4 had an increase in their Adult and Juvenile membership in 2020. On average, District 4 Lodges lost 6.5% of our members! Some of this can be attributed to COVID! We must get our membership numbers up for 2021 if we expect to survive. It is not possible to have meetings and socials as often as we have had in the past. Many of our lodges are in areas where drastic restrictions have been placed on them. Some lodges have gone to virtual meetings such as having a meeting via the computer with programs such as Zoom. Members can join in easily if they have a computer and some confidence in being able to connect with others on their computer. The Sons of Norway website has many programs online that can assist your lodge. The Sons of Norway staff in Minneapolis have worked hard to give us the information we need to maintain our lodges. ZOOM (or other programs like it) could be something that keeps our lodges communicating!

What will 2021 hold for us? Hopefully, COVID will decline and we can get back to doing our normal lodge functions! Let us hope we can work to that end!

Russ Wiigs, Zone 4 Director

## Zone 5 Lodge News by Becky Lewis

In checking with my four active lodges. The year has been unfruitful and there is concern that this will make future attendance weaker. In stating this, Lodge Presidents are looking forward to the Covid-19 vaccinations so members can feel comfortable in meeting again.

Jotunheimen Lodge- Billings, Mt has not met for 1 year. During warmer weather they met in church parking lot, parks, and in small groups. They had to cancel their 50th Anniversary celebration but hope to celebrate the anniversary in May, 2021. The lodge's big fund raiser, the Billings Fair, was a lot smaller due to only so many people could attend the fair. This affected many organizations that usually receive their support. The members have tried to keep in touch with each other.

Sidney Lodge- Sidney, Mt has not met this year yet due to their President contacting Covid-19. The Sidney Fair was canceled so they had no booth. They did participate in a Fruit Vendor activity at a local grocery store. There is a concern in membership.

Snofjeldet Lodge- Lewistown have met some during 2020, but attendance was poor. Some of their members had Covid-19. President Birkland hopes for a better 2021.

Fjell Heim Lodge- Big Timber has not missed one meeting this last year. President Myrstol conducted the meetings and all who attended practiced safety. The lodge made lefse and attended to the two Lefse Sales. One sale by Advertising and the other sale one member sold at a business. We had our planning schedule in January for 2021. We are hoping to fulfill our monthly meetings. The lodge gained 4 new members.

Most lodge members are elderly and we still need to protect them. We must be patient, and times will be better. We must still practice the Covid safety.

## Zone 6 Lodge News by John Knudsen

The United States has many problems but one of the most important to talk about is our inability to meet with our fellow brothers and sisters in our local lodges. As you know, we are in the midst of a severe pandemic that has truly hindered our meeting with one another. Lodges just aren't meeting.

My local lodges have tried several things early on but now all we do is meet in Zoom meetings. Other lodges have tried a few things also. But meeting in person is still dangerous.

There is a new Administration for our United States. President Biden in his inaugural address wants us to do several things. And one of those is to put aside politics for the next 100 days wear a good mask that covers your nose and chin. If it falls down off your nose just put it back up. You could also point that out to people you see wearing it improperly. Until there is a National distribution of the vaccine in place AND people are inoculated with the vaccine, we will never attain "herd Immunity".

What is herd immunity? "Herd immunity occurs when enough people become immune to a disease to make its spread unlikely. As a result, the entire community is protected, even those who are not themselves immune. Herd immunity is usually achieved through vaccination, but it can also occur through natural infection." Cite Harvard Health.

Therefore, let's follow those instructions (masks work), keep up social distancing, get your vaccine. And only then will we be able to starting meeting socially as our great organization, Sons of Norway directs.

Dec-20
