

District IV Charitable Cause Matching Grant

PURPOSE: Doing charitable work in your community, giving back to your community and gaining visibility for your SoN Lodge. In the past, the District IV Board has challenged lodges to collect socks for a “sock it to ‘em” or challenged lodges to collect food items or cash for their local food pantries. This year the Board decided that each community may have different needs.

The District IV Board challenges Lodges in District IV to choose a worthy cause in your community. Do a type of fundraising activity that best suits your community. District IV will match up to \$100 to increase your donation (only one matching grant per year).

Fill out the following form and e-mail or mail to your Zone Director (names and addresses on page 2) by December 10, 2023. (The Zone Director will send it on to the District President & Secretary).

Lodge Name and Number _____

Lodge Mailing address _____

Charity _____

Fundraising Activity _____

Date of Fundraising Activity _____
